Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the “Replacing Lead Service Lines in St. Charles (MI)” project in Fiscal Year 2024. The entity to receive funding for this project is the Village of St. Charles, located at 110 W. Spruce St., St. Charles, Mich. 48655.

The funding would be used to replace lead and copper water service lines with safe, reliable alternatives that will ensure St. Charles’ drinking water supply does not contain harmful toxins. The project is an appropriate use of taxpayer funds because every community has the right to safe drinking water.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Daniel T. Kildee".
